Nadja (1928), the second book published by André Breton, is one of the iconic works of the French surrealist movement. It begins with the question "Who am I? It is based on Breton's actual interactions with a young woman, Nadja (actually Léona Camille Ghislaine Delacourt 1902-1941), over the course of ten days, and is presumed to be a semi-autobiographical description of his relationship ...
