Emotion Mind. A person is in Emotion Mind when their thinking and behavior are controlled mostly by their emotions. Logical thinking and planning are difficult, facts may be distorted or made larger or more important, thoughts and behaviors might be said to be "hot," and the energy of the behavior tends to match the intensity of the feelings.

This website has the ambition to show the reader what is really going on in the art business. I want to show you that behind the Record Companies and the Art Business is an Elite of super-wealthy people, calling themselves the Illuminati, or "Moriah Conquering Wind", who use the Industry to distract and alter our minds with the purpose to fulfill their crimes against humanity.

I Sold My Soul To Rock & Roll & Mind Control - Illuminati News

May 2004 When people care enough about something to do it well, those who do it best tend to be far better than everyone else. There's a huge gap between Leonardo and second-rate contemporaries like Borgognone.

Somewhere in the search to understand the biology, chemistry, mechanics, physics and mathematics of the universe, Western medicine became too focused on "the body" as a singular, machine-like object. In the fight for dominion over disease, and perhaps caused in part by the growing divide between religion and science, conventional Western medicine elevated the measurable, physical aspects of a ...
