Get this from a library! An imagined world : a story of scientific discovery. [June Goodfield] -- Narrates the study of Hodgkin's disease by Anne Brito and her colleagues.

An imagined world : a story of scientific discovery (Book ...

Billed as a close study of science in the making, June Goodfield's detailed account of the work of a small, highly motivated group of research investigators clustered around an intense, creative leader, is fascinating if flawed. The fascination is both in the work itself--on cancer, iron, and the ...

Short Story Terms Flashcards | Quizlet

Sound is the first sense that ignites in us and perhaps nothing delights the human ear more than these four words spoken in succession, "Once Upon a Time." My love of story began as a child. My story companions as a young girl lived in songs, books, on the tip of the tongue and out of the corner of my eye.
