Pure and Applied Mathematics Journal (PAMJ) is a mathematical journal for publishing early, high-impact results in the areas of mathematics and computer science/informatics. The journal also emphasizes mathematical articles devoted to the mathematical treatment of questions arising in physics, chemistry, biology, engineering and all applied sciences.

Pure and Applied Mathematics Journal :: Science Publishing ...

Get ready for your successful career as an industrial mathematician with strong analytical and problem-solving skills built upon a background in computing, mathematics, statistics and basic science.

P.S.M. Industrial and Applied Mathematics | University of ...

The Mathematics department prepares students with strong skills in mathematical communication, problem-solving, and mathematical reasoning. This solid foundation enables students to transfer to other institutions of higher education, pursue advanced studies in math or related disciplines, and be prepared with occupational and technical skills to meet the needs of business and industry.
