Now I don't want to throw myself into arguments, but I think, and I'm sure it can be agreed, that healthy debate is, well, healthy. I'd love to just be able to get perspective from both sides of the intelligent design/ evolution argument for an article I'm writing, so it would really help me if you could put forward some of the arguments that you face, and maybe you could answer some of my ...

Evolution weakens faith in God, undermines the arguments for God's existence, and is a fundamental tenet of all unbelievers. True, some people claim to believe evolution and also believe in God.

Does the Theory of Evolution Harmonize with Bible Creation?

Darwin and Natural Selection. Most educated people in Europe and the Americas during the 19th century had their first full exposure to the concept of evolution through the writings of Charles Darwin. Clearly, he did not invent the idea. That happened long before he was born. However, he carried out the necessary research to conclusively document that evolution has occurred and then made the ...
