

Confucius Philosophy Of Education

Confucius Philosophy Of Education

Confucius' Political Philosophy. Confucius' political philosophy is also rooted in his belief that a ruler should learn self-discipline, should govern his subjects by his own example, and should treat them with love and concern. "If the people be led by laws, and uniformity among them be sought by punishments,...

Confucius (Stanford Encyclopedia of Philosophy)

Confucius's Educational Theory. To the other student, whom he thought was lacking in enthusiasm, he said yes, put it into practice right away. The curriculum at Confucius' school included C.T.M.A.T.M. 96 music, Li (the code and manner of proper conduct), the Book of Poetry, literature and history.

The Educational Theory of Confucius - NewFoundations

Confucius: Philosophy Summary. Confucius and Confucianism is barely the most popular philosophy across the world. Born in China, the Confucianism spreads all over the continents but it is above all perverted by Buddhism for rich people, easy teachers who considered Confucianism as a profitable business. Let's back to the roots of the philosophy of Confucius.
