Cosmology. In Zoroastrian cosmology, the head of the manifested universe is Ahura Mazda, the "Wise Lord." He is the universal and pervasive source and fountain of all life. But behind or beyond Ahura Mazda is Zarvan Akarana, Boundless Time and Boundless Space, the unmanifested absolute from which the manifested Logos, Ahura Mazda, came forth.

The cosmology of the ancient Arabians was a little more advanced. Here we find a solid sky-dome which Allah holds up by an act of will (Surah 2.22). That God "raised up the heavens without pillars" (Surah 13.2) reveals at least two assumptions: (1) that there was something solid to raise up; and (2) earlier views used actual supports and not ...

The phrase axis of evil was first used by U.S. President George W. Bush in his State of the Union address on January 29, 2002, and often repeated throughout his presidency, to describe foreign governments that, during his administration, sponsored terrorism and sought weapons of mass destruction. The notion of such an axis was used to pinpoint these common enemies of the United States and rally ...

Cosmology of Evil . € 19.94. Quantity: Series name: Making Evil Visible. The origin of evil has remained a mystery for millennia, often baffling thinkers, philosophers and theologians. They have lacked the cosmological perspective that we can only get from our universal spiritual teachers, the ascended masters.

**Cosmology of Evil - More To Life**

The "Axis of Evil" is a name given to an anomaly in astronomical observations of the Cosmic Microwave Background (CMB). The anomaly appears to give the plane of the Solar System and hence the location of Earth a greater significance than might be expected by chance - a result which appears to run counter to expectations from the Copernican Principle.
