### **David Attenborough: The Trials of Life**

The Trials of Life: A Natural History of Behaviour is a BBC nature documentary series written and presented by David Attenborough, first transmitted in the United Kingdom from 3 October 1990. A study in animal behaviour, it was the third in a trilogy of major series (beginning with Life on Earth) that took a broad overview of nature, rather than the more specialised surveys of Attenborough's ...

David Attenborough is one of our families heroes. My daughter and I always loved this and she is now going to college to be a zoologist. I am sure James Herriot, Jack Hanna, the Krat Bro.s and Steve Irwin (God rest)and her Moms obsession had something to do with this as well but David, well he is a charmer!
