None of the 4 answers below properly answer the question. The closest is Florent's answer, which lists workbooks (even if in multiple instances) but doesn't identify whether there are actually multiple instances running, or allow user to get Application objects for each instance (at least as far as I can tell). I haven't been able to find a way to actually list the number of instances.

Having multiple Excel instances launched, how can I get ...

19/12/14. RKB releases updated multilingual documents. RKB has recently enhanced its collection of multilingual documents. To better satisfy the world-class attitude of the Group, RKB has made available its documents "This is RKB" and "Product Table" also in Bulgarian, Romanian and Russian.
