The Huistas and Social Control. Within its territory, principally in the municipalities of Santa Ana Huista and San Antonio Huista, the group's security strategy focuses on the construction of a protection network and an unwritten rule that punishes informants; and the construction of social legitimacy based on the sharing of wealth.

Democracy is an ideal many people have struggled for. Yet, different forms of democracy attract different forms of corrupting influences and challenges. This article attempts to explore these issues.

Democracy — Global Issues

Neotraditionalism, in politics, the deliberate revival and revamping of old cultures, practices, and institutions for use in new political contexts and strategies.. Neotraditionalism entails a degree of contestation over culture and memory. It can serve as a strategy of political legitimation, and it is deployed in different ways by both elites and ordinary people.

This part of the globalissues.org web site looks at the conflict in the Democratic Republic of Congo. Media coverage is poor and yet there have been millions of refugees and over five million killed since the war began around August 1998. Yet the rich country leaders and their media drew everyone's attention to 2000 ethnic Albanians being killed in Kosovo (to gain support for a war there).

The Democratic Party is the oldest voter-based political party in the world and the oldest existing political party in the United States, tracing its heritage back to the anti-Federalists and the Jeffersonian Democratic-Republican Party of the 1790s. During the Second Party System (from 1832 to the mid-1850s) under Presidents Andrew Jackson, Martin Van Buren and James K. Polk, the Democrats ...

Fake History. How The Money Power Controls Our Future By Controlling Our Past. By Jim Macgregor and Gerry Docherty. The 'Fake History' and 'Fake News' pejoratives (like 'Conspiracy Theory' before them) have only recently entered common parlance, but the falsification of history and news reporting is as old as history itself.

"The powers of financial capitalism had another far reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements, arrived at in frequent ...
