For Families Under Stress by Canadian Bible Society ...

Family Stress. Many of us hold the myth that families are (or should be) free from stress, that the home should be a haven of peace and tranquility. Our society gives us the clear message that it is acceptable to experience work-related stress, but not family-related stress.

FOCUS - Comfort, Hope, Fun

While anxiety and stress are a natural part of life, they can become overwhelming, especially for families facing challenges such as serious illness, financial collapse, raising children with special

needs, or caring for aging parents. God gave us human emotions, but he does not want them to enslave us. He offers Christians the courage to overcome stress and model his love to a hurting world.
