Epistrophe Definition. What is epistrophe? Here's a quick and simple definition: Epistrophe is a figure of speech in which one or more words repeat at the end of successive phrases, clauses, or sentences. In his Gettysburg Address, Abraham Lincoln urged the American people to ensure that, "government of the people, by the people, for the people, shall not perish from the earth."

An unreliable narrator is a narrator whose credibility has been seriously compromised. The term was coined in 1961 by Wayne C. Booth in *The Rhetoric of Fiction*. While unreliable narrators are almost by definition first-person narrators, arguments have been made for the existence of unreliable second- and third-person narrators, especially within the context of film and television, although ...
