Man Ray (born Emmanuel Radnitzky; August 27, 1890 – November 18, 1976) was an American visual artist who spent most of his career in Paris. He was a significant contributor to the Dada and Surrealist movements, although his ties to each were informal. He produced major works in a variety of media but considered himself a painter above all. He was best known for his photography, and he was a ...

BASS GUITAR: Not all bass players use chorus but it's a cool effect on bass and this one will not affect your tone at all when OFF due to true bypass. The chorus effect is not as strong on bass so you have to turn the DEPTH knob up higher, especially at slower speeds. It can do a cool leslie/vibrato at high speeds.
