Most professional truck drivers are diligent about the safe and legal operation of their vehicles. However, many preventable crashes result from an illegal action or unsafe behavior, such as speeding, distracted driving or following too closely, by one or more of the vehicles involved in these crashes. Research has consistently shown highly visible traffic enforcement will

Versatility is the quality that sets trucks apart and a key reason why year after year they're the top selling vehicles. Pickup trucks have traditionally been necessities for tradesmen and businesses for hauling and towing, and they've always been popular with homeowners for toting goods from home centers and with outdoorsmen for carrying camping gear and dirt bikes.
