### **Prison Politics Locked Down English**

A prison, also known as a correctional facility, jail, gaol (dated, British and Australian English), penitentiary (American English), detention center (American English), remand center, or internment facility (commonly used term in military theatres of war/involvement), is a facility in which inmates are forcibly confined and denied a variety of freedoms under the authority of the state.

Michigan State Prison or Jackson State Prison, which opened in 1839, was the first prison in Michigan. After 150 years, the prison was divided, starting in 1988, into four distinct prisons, still in Jackson: the Parnall Correctional Facility which is a minimum-security prison; the G. Robert Cotton Correctional Facility where prisoners can finish their general education; the Charles Egeler ...

8 You Could Be Executed For Practically Anything. This wasn't originally the case in England. In 1688, only 50 crimes carried the death penalty. By 1815, the number had swollen to 288. Crimes you could be hanged for included stealing something worth more than five shillings (about \$40 today), stealing from a rabbit warren, impersonating a pensioner, cutting down a young tree, damaging ...
