Satisfactory sex is the invasion of the other's "alien-ness." This is why we call the sexual parts our "private parts." All depends upon the idea of violating strangeness....When the intensity of sexual response depends on the alien-ness that has been invaded, it follows that men will try to intensify the response still further by going further afield in alien-ness.

I am also really excited to share that my new book came out last month. It's called Sex, the Enneagram & Rock'n'Roll. It's a memoir about an accidental spiritual journey I embarked on when I started singing in a rock band while studying the Enneagram personality typing system. The Kindle version on Amazon is just \$5.95.
