### **The value of arts and culture to people and society | Arts ...**

Rightfully so - people are the backbone of any company. When employers evaluate themselves internally, they frequently use the terms 'culture' and 'engagement' interchangeably. This makes sense - they are inextricably linked. But engagement and culture are also distinct, differing in the way they are created, measured, and enhanced.

### **The Difference Between an Engagement Survey and a Culture ...**

Employee engagement is a change in culture - a change in how leaders lead, what they do and the decisions they make. It is not the accountability of a single department nor is it an initiative or a

project that a focus group or a specialist team can deliver.

**Engagement is a culture change - Insights**
