Changes in Star Wars re-releases vary from minor differences in color timing, audio mixing, and take choices to major insertions of new visual effects, additions of characters and dialogue, scene expansions, and replacement of original cast members with newer ones. Though changes were also made to the prequel trilogy, the original trilogy saw the most alteration.

Thank you to the 23 people who reviewed the last chapter. As always, you guys are the greatest. So now we enter into the Clone Wars movie arc, which is taking place six months earlier. I am going based on a different timeline since LucasFilm hasn't yet revealed how the Clone Wars TV series fits into the timeline of the movies and the books so I'm making up my own timeline.
