Nightingale floors (夜鳴き床 or 夜鳴き, uguisubari) listen (help · info), are floors that make a chirping sound when walked upon. These floors were used in the hallways of some temples and palaces, the most famous example being Nijō Castle, in Kyoto, Japan. Dry boards naturally creak under pressure, but these floors were built in a way that the flooring nails rub against a jacket or clamp ...

Prehistoric warfare refers to war that occurred between societies without recorded history.. The existence — and even the definition — of war in humanity's hypothetical state of nature has been a controversial topic in the history of ideas at least since Thomas Hobbes in Leviathan (1651) argued a "war of all against all", a view directly challenged by Jean-Jacques Rousseau in a Discourse ...

Termites 101 A Guide to Common Termite Species . By looking at a single termite, it certainly doesn't look dangerous or menacing, but a whole colony of them can inflict serious structural damage on a home in a fairly short period of time. Termites are known as "silent destroyers" because of their ability to chew through wood, flooring and even wallpaper undetected.

At the outset of World War II, East Point Light was darkened, and then later discontinued altogether. The federal government placed the lighthouse on the auction block in 1955, and after bids had been received, the New Jersey Division of Fish, Game, and Wildlife complained that they had not been offered the lighthouse first.
