Community Reviews. Gairdner makes the case that it is in the interest of the more controlling and totalitarian political elements to destroy the family. The well-functioning family is self-contained, self-sufficient, and becomes a source of stability for citizens developing independent ideas. In contrast, as Gairdner argues,...

### **The War Against The Family - Goodreads**

We are at war. The very foundation of stability and strength in the United States and Britain, the traditional family, is being formidably attacked from every direction. Just look at the carnage. Fewer people are marrying. Those who do marry are more prone to split up. Roles within marriage and family are reversed. Adultery is increasingly common.

So constituted, the modern democratic state is driven to target the family unit as a bastion of privacy, privilege, and moral authority at odds with the state's own secular and egalitarian motives. Hence, the war against the family.

### **The War Against the Family: A Parent Speaks Out on the ...**

Widely recognized as the most powerful and complete critique of the war against the family presently taking place in Western democracies. Inspired by his own passionate experience as a son, husband, and father, Gairdner offers in this book a forum for a long-overdue debate about the future of the family in Western civilization.

The Long War Against the Family (Part I) In this first wave of attack on the family, any sign of mutual interdependence was viewed as a threat to freedom. Those working against the family have insisted that submission to an exclusive contract is a sacrifice of autonomy. As Simone de Beauvoir claimed, in marriage,...
