The crwth (/ ' k r u: θ / or / ' k r ʊ θ / ), also called a crowd or rote, is a bowed lyre, a type of stringed instrument, associated particularly with Welsh music and with medieval folk music of England, now archaic but once widely played in Europe.Four historical examples have survived and are to be found in St Fagans National Museum of History ( ), National Library of Wales (Aberystwyth ...

### **Crwth - Wikipedia**

Although Wales was shaken by the decline of its industrial mainstay, coal mining, by the end of the 20th century the country had developed a diversified economy, particularly in the cities of Cardiff and Swansea, while the countryside, once reliant on small farming, drew many retirees from England.Tourism became an economic staple, with visitors—including many descendants of Welsh ...

Scots to Colonial North Carolina Before 1775. Society and Culture in Colonial Cape Fear Valley. If one wants to trace Scottish folk song melodies from Scotland into Colonial North America, it seems logical to locate the largest concentrations of immigrant Scottish populations and to attempt to understand their culture, the cultures in which they found themselves, how they interacted with those ...
