Michigan Catholics have been eating muskrat meat on Fridays for years, ever since a missionary in the 1800s declared that eating the rodent was excusable because many people living in the area at the time literally didn't have anything else to eat, and dead people tend to miss church. The local archdiocese has had a "long-standing permission" of the practice, which is great for people who ...

This is your junior high school best friend's older brother. Once you spent the night at their house and could have sworn you heard a camera go off in the middle of the night while you were passed out in your sleeping bag, but when you opened your eyes you didn't see anyone there, so you figured it was a dream.

South Park - Merry Fucking Christmas Lyrics | MetroLyrics

The modern koala is the only extant member of Phascolarctidae, a family that once included several genera and species. During the Oligocene and Miocene, koalas lived in rainforests and had less specialised diets. Some species, such as the Riversleigh rainforest koala (*Nimiokoala greystanesi*) and some species of *Perikoala*, were around the same size as the modern koala, while others, such as ...
